
Alliant Foundation Objectives

The objectives of the Foundation shall be to bridge the digital divide, especially in the under-resourced communities in which Alliant Credit Union members and employees live and work, through the following:

- Partnering with like-minded organizations to bring technology devices and affordable, reliable broadband to the people who need them most
- Delivering digital skills education to impacted communities
- Calling upon our community leaders for internet accessibility reform

Grant Request Information
(Please use additional sheets if necessary)

Amount requested:

Please provide a summary that addresses all of the following:

- How many people has your program enabled you to assist?
- How many estimated individuals/families will this grant enable your organization assist?
- What are some of your organization's achievements to date?
- How will you measure the impact of the grant?
- How will your organization use funds from this grant? Please provide specific examples.
- Explain any future plans for sustaining the goal of this grant.
- What is the budget breakdown for the plan?
- Provide any additional information you think the Alliant Foundation would find helpful.
- What is the impact your organization hopes this grant will help you achieve?

Acknowledgment

I hereby acknowledge that the above statements are true and accurate. I further acknowledge that I will receive no personal economic benefit from this donation and neither will any member of my family or household.

***Disclaimer:** Through grants, the Alliant Credit Union Foundation helps support nonprofits with missions that align with that of the Foundation. The Foundation's focus is to support organizations that foster economic empowerment, and it takes a particular interest in programs and initiatives that promote financial literacy. The Foundation's objectives include bridging the digital divide. All grant applications will be subject to the approval of the Alliant Credit Union Foundation Board. The Foundation reserves the right to refuse or limit the amount of any grant request at its sole discretion. The duration of the review process can vary and is determined by the Board's schedule. Please take this into account if your request has a deadline, and submit it in advance to allow ample time for review.
